Adventure Park

Alassio (distance: 16 Km)

The Park is in the countryside of Alassio - Località San Bernardo (5 Km from the city centre). From there you have a wonderful view on the charming Baia del Sole.

You can try three amusing tracks on the trees with three difficulty levels:

- **Green track** (2 mt. high from the ground) – beginners
- **Blue track** (between 4 and 6 mt. high from the ground) – intermediate
- **Red track** (between 8 and 9 mt. high from the ground) – experts

You can feel like Indiana Jones crossing Tibetan bridges, climbing nets and rocks, hanging on creepers...

The bravest ones can try the night acrobatic tracks, guided by the expert instructors of the Park.
