

(distance: Loano-Santo Stefano: 70 km)

**“By bike or by roller...
along the longest sea
cycle lane in Europe.”**

from Santo Stefano to Ospedaletti

Along the old railway line on the sea a 24 Km cycle lane has been built. The lane stretches from **Santo Stefano to Ospedaletti**, crossing **Santo Stefano, Riva Ligure, Arma di Taggia e Sanremo**.

Here you can admire the sea view and the Mediterranean plants and green areas; you can do sports, go by bike or skate.

Along the cycle lane you can find little **rental shops**, where you can rent bikes, tandem, special bikes for 4 or 6 people, roller and you can have a break in one of the **refreshment stands**.
